## *Leading Together to Transform Learning & Teaching*

## **Headteachers' Conference 7th November 2008**

Bedfordshire University, Bedford Campus

### **The key objectives of this conference are:**

- ⌘ To reflect on a shared vision for education to 2020, focussing on models of leadership and transforming learning and teaching
- ⌘ To consider approaches to personalised learning and the planning implications for transforming learning and teaching
- ⌘ To explore the future potential of collaboration between schools, with the Local Authority, university and other external agencies.

### **The Conference will run from 9.00 to 15.45. The Programme will include:**

- ★ Keynote addresses by Steve Munby (NCSL) and Dylan Wiliam (Institute of Education)
- ★ Workshops including case studies related to Learning Platforms, Curriculum Innovation, Building Schools for the Future, Coaching & Mentoring, Personalised Learning, the Trust Schools Approach, Student Voice
- ★ Inputs from Key Local Authority and University Personnel
- ★ Networking time with others who share your priorities

*We are pleased to announce that this conference is sponsored by The Bedford Charity, Bedfordshire County Council and the University of Bedfordshire and, therefore, there is no charge to schools. The full programme will be issued to all registered delegates in the Autumn.*
